Redlands IndigiScapes Centre

Our speaker on Sunday May 3rd will be Hammy Forrest from Pelican and Seabird Rescue Inc (PASR). Hammy's expertise is in the rescue and rehabilitation of pelicans and other seabirds. She has been in particular demand with the recent oiling of aquatic wildlife and has many stories to tell. The PASR team are passionate about protecting the well being of our precious wildlife and their respective environments. This talk will give an insight into the commitment and sacrifice that our carers give for the sake of our wildlife.
